The Centennial is a chance for the House actives and alumni alike to celebrate the House, its longevity, and what it has meant to everyone. To that end, ideas are being drummed up for activities that can take place on the Ripon Campus during our Centennial Year.

Some of these events might be Tausday (rather than Tuesday): when actives and alumni all wear Tau clothing and whatnot; some sort of Homecoming and Winter Fest activities, a birthday cake and party on the weekend of May 2, 2010; and a Centennial All-Class Reunion to be held on Sunday, June 27, 2010, at La Sure’s of Oshkosh; the weekend of Ripon’s Alumni Week-end 2010.

Through the use of the Tau website’s email lists, a committee of alumni and actives has been formed to work on airing, voting upon, and organizing events; fundraising to help defray costs; and keeping volunteers from dropping the ball.

Centennial Committee membership is open to any active, alum, or friend of the House. Since most members are spread fairly widely across the globe we use an email list to communicate, and so to be on the committee, one has to be willing to sign up for the list and receive the sometimes frequent emails it generates.

The committee is currently comprised of 18 alumni and seven actives, spanning nearly three decades of membership. The committee is headed by an executive board of five individuals: Bruce Davis (82), Sarah (Hoffman) Kramer (02), Alexander Momich (11), Alexander Tessman (11), and Peter Lenz (89).
